AUSTRALIAN DECIMAL CURRENCY

On 14 February 1966, under the *Currency Act* 1965, a dollar/cent decimal currency system, with one dollar equal to 100 cents, was introduced in Australia. $2 in the new currency are equivalent to £1 in the old.

In this publication all monetary amounts are expressed in dollars. Where necessary, monetary amounts that were originally expressed in the old currency have been converted to the equivalent amounts in the new system.

List of Local Authorities, Showing Headquarters and Statistical Division, as at 30 June 1966

In Tables 1 to 16 the Local Authorities have been tabulated according to the Statistical Division in which they are situated. The following list shows the Headquarters of each Local Authority and the Statistical Division in which each is situated.

Commencing with the year 1961-62, the new Metropolitan Statistical Division was created to incorporate the Cities of Brisbane and Redcliffe and the Petrie portion of the Pine Rivers Shire, all of which were previously included in the Moreton Division. The balance of the Pine Rivers Shire, the Rural Area, remained in the Moreton Division. However, except for a few items appearing in Table 1 and road mileages in Table 8, the whole of the Pine Rivers Shire has, for Local Government Statistics (throughout this Part), been included in the Metropolitan Division.
